Legend

1 Cora Spa

Explore a vibrant top reef just 3 meters below the surface, then descend to 10 meters to discover a sprawling plateau teeming with diverse marine life. Keep an eye out for batfish, bigeye trevally, and nurse sharks among the colorful anemones. Perfect for all skill levels.

2 Cora Giri

Nestled near Cora Spa, this dive spot begins with a captivating top reef at 5 meters before leading to a reef slope. Dive into charming swim-throughs bustling with schools of fish. Look out for majestic Napoleon wrasses, midnight snappers, trevally fishes, elusive moray eels, and playful octopuses in these vibrant waters.

3 Coral Garden Kuredhoo

Dive site full of branching corals with common encounters of turtles. Accessible to all levels of divers, with healthy corals along the south side reef. Sometimes able to encounter a group of bright blue surgeonfish that you won't miss.

4 Nadi Thila

Dive into a thila filled with diverse fish life. Encounter grey reef sharks, white tip reef sharks, barracuda, eagle rays, nudibranch, octopus, and scorpionfish. Watch out for longnose hawkfish hiding amidst the black corals. Explore a plateau full of leather mushroom corals. Potential strong currents.

5 Hummingbird

Accessible to all levels of divers with a shallow top reef. Encounter rich marine life such as clark's anemones, glassfishes, garden eels, and blotched fantail rays.

6 Magic Reef

Enjoy a long coral reef with minimal current along a sloping reef starting at 3-4 meters and descending to 14-18 meters. Explore rocks and sloped coral reef teeming with schools of blue striped snappers, Napoleon, stingray, grouper, and moray eels. Occasionally encounter manta during manta season. Suitable for all skill levels.

7 Manta Hub

Experience the extraordinary manta cleaning station at 15 meters from November to April. With luck, witness more than 10 majestic mantas. Encounter magnificent schools of Humpback Snappers, Eagle Rays, and Whitetip Sharks for an unforgettable underwater spectacle.

8 Fuggiri Caves

Embark on an exhilarating dive with a top reef at 2 meters. Encounter grouper hiding in overhangs at 15 meters, with blue soft corals hanging above. Advanced divers can explore pinnacle blocks filled with gorgonian corals at 24-28 meters.

9 Seven Heaven

Enjoy an exhilarating drift dive along an oceanic wall and channel. Witness sharks, eagle rays, barracuda, and stingrays amidst vibrant marine life. Encounter batfishes and schooling bannerfish along the channel wall. Strong current can be challenging for beginner divers.

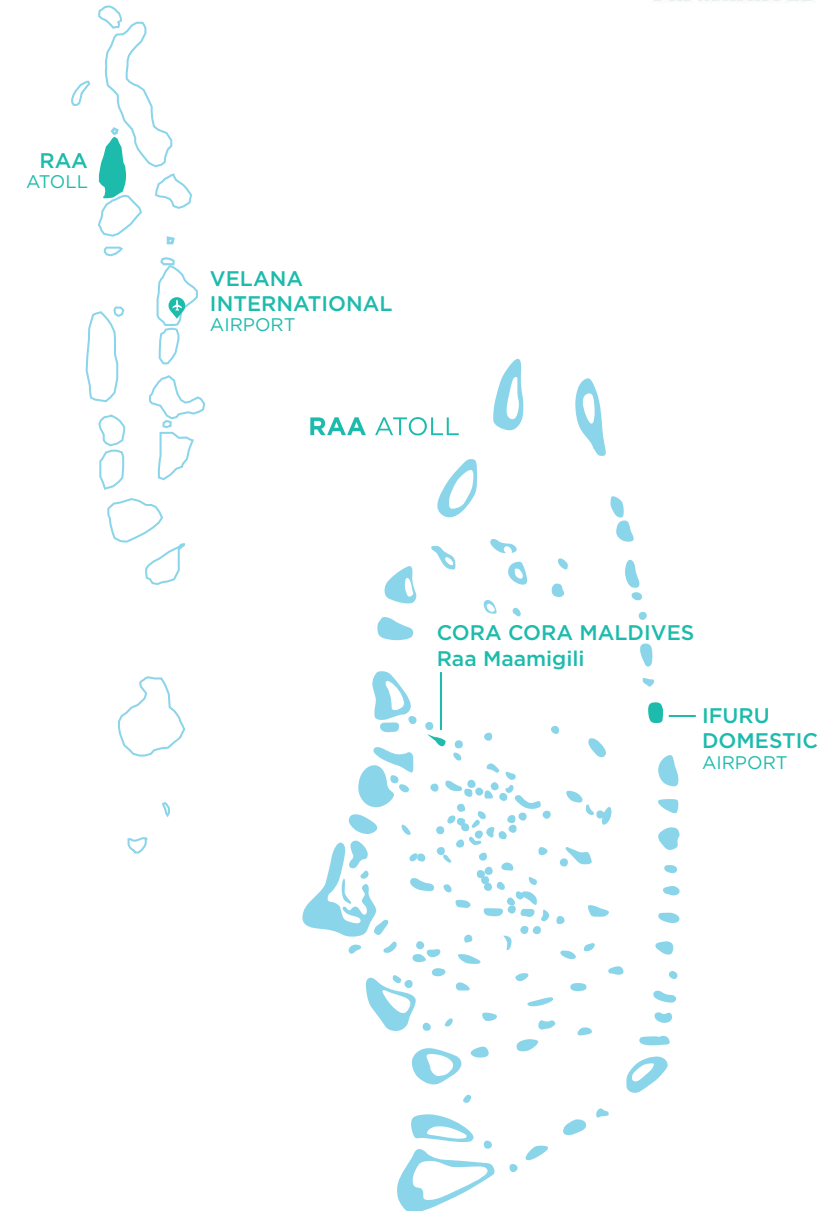

10 Miyaru Giri

Explore one of Raa Atoll's renowned Shark spots, where captivating canyon swim-throughs teem with Humpback Red Snappers and Yellow Sweetlips. Impressive walls and inviting overhangs enhance the allure of this thrilling dive location. Keep an eye out for nurse sharks resting under the rocks for an added underwater treasure. During strong current can be challenging for beginner divers to descend.

11 Giravaru

Discover another stunning coral garden adorned with vibrant blue striped snappers and bluefin trevally. During outgoing currents, observe the graceful presence of humpback snappers on the east side, adding to the enchantment of this underwater paradise.
